

Creative Hacks

4 students per class

One 4 -hour class

\$65

Summer is here. Lighten up your wardrobe with a few creative hacks. Go sleeveless and short. This course will cover the best way to go about changing up a garment and how to finish off those edges to keep it professional.

Topics to Cover	Demo	Supplies*
<ul style="list-style-type: none"> Hems and finishes 	<ul style="list-style-type: none"> Applying hem tape Blind hem Double fold hem Faux cuffs 	<ul style="list-style-type: none"> Sewing machine**, instruction manual and feet Fabric Thread Bobbin Machine needles Garments to “hack” Hem tape to match (optional)

*Some project supplies will be available for purchase in the store.

**We recommend bringing your own machine, if you own one, but rentals are available if you don't.
